Dear Susan,

As we discussed, The Glenelk Association has a no trespass policy. We have been informed that several of the DRPOA homeowners are walking on or through our property. Would you please inform them of the no trespass policy and ask them to use a different route. I have attached a printed Jeffco map which shows in green the Glenelk property lines, including the new acreage purchased in 2013.

We sincerely appreciate your help with this matter.

Respectfully,

Valerie Amburn, President  
The Glenelk Association

Jefferson County, CO
