

## DRPOA August 16, 2001 Board Meeting Minutes

Meeting was called to order at 9:00 pm.

1. Brief meeting called to go over dog issue in the dog free lots – 20-29 after formal request was made to review the issue for a possible change. Lore informed Board of issue and her conversation with Planning and Zoning. Bryan discussed his conversations with Planning and Zoning as well as other neighbors on those lots.

Board decided to bring issue to the attorney since Planning and Zoning was giving out different information. Wells replied via letter that it was not a recommended action due to steps needed to change the County records and covenants.

2. Picnic is set for 9/9/01.
3. Next Board meeting set for 9/4/01, road issues set for 9/11/01 and well depth issue set for 9/18/01.
4. Annual meeting tentatively scheduled for 10/16/01. Will solidify based on schedules and school availability.
